

"The Notables"

A Choir for 4th, 5th & 6th Grade.

This is a year long commitment.

I will be offering an after school choir that your song bird won't want to miss. Fun, challenging music with incredible harmony... this opportunity will be something your son/daughter will never forget. **THIS IS A YEAR LONG COMMITMENT!** If you are unable to commit to the full year, Treble Makers may be a better option for you. We will be learning extremely challenging material over the span of the year and **competing in a Music In The Parks competition at Disneyland on April 20, 2018 with a day in the park on April 21st.** I will provide you with an itinerary in the spring and families then make their own travel arrangements. We start with one rehearsal a week (**Mondays**) and then after fall break we move to two rehearsals each week (**Mondays and Fridays**). In December we will do a very casual "here's where we are" performance to show you our progress as well as go Christmas caroling as a group. While I sometimes have to add additional rehearsals, I did my best to map out the year and the schedule is below. **There are currently over 40 rehearsals scheduled which should be enough if everyone is diligent about attendance** ☺ That being said, every year there are kiddos that need to leave a little early here and there or miss rehearsals here and there and that is perfectly understandable and expected so please don't feel overwhelmed by the number of dates...I just thought it would be easier to give you all the dates up front.
