

# Math in the Lab

MATH IS AWESOME 😊 SEE YOU IN TECH LAB 🖥️ MATH IS COOL 🧮

- ♥ Number sense and concepts
- ♥ Reasoning and logic
- ♥ Basic operations and computations
- ♥ Story problems and equations
- ♥ Time, money and measurements
- ♥ Fractions, decimals, and percentage
- ♥ Geometry and basic shapes
- ♥ Graphs, charts, and tables

*Come and dig deeper into math skills currently taught in your classroom. We will practice by using math games, fun drills, and other applications you already know from computer lab class. Sometimes we may have to put all our heads (by grade) together, watch a tutorial, or solve a problem on a piece of paper/word document before we can continue to practice on our computers. 😊*
