Excellence Today for Success Tomorrow

BRIGHT BEGINNINGS SCHOOL 2014-2015 PRESCHOOL/PRE-KINDERGARTEN REGISTRATION INFORMATION

Registration for students entering preschool will begin January 13th. Students must be at least three-years-old by September 1, 2014 to register for the preschool classes, and four-years-old by September 1, 2014 to register for the pre-kindergarten classes.

All students registering to enter preschool or pre-kindergarten at Bright Beginnings Charter School MUST bring:

- an updated copy of his/her immunizations from the doctor (Hepatitis A is a requirement for childcare facilities in Maricopa County. Your child's immunizations must show that this series has been started.)
- a \$100 student activity fee per student
- first month's tuition

ALL items MUST be turned in with a completed registration packet in order to be considered for admission. Information and signatures for both parents must be completed where applicable. Please note that the office will be unable to make copies of documents during open registration time.

Classes will be filled on a first come first serve basis. Bright Beginnings School reserves the right to make any changes necessary to create full classrooms for staffing purposes. We do our very best to place everyone.

You will be notified of your child's placement in a particular class or if your child is on the waiting list. For auditing purposes, a separate check or cash is required to be attached to each enrollment packet. **ALL FEES ARE NONREFUNDABLE FOR ANY REASON.**

By accepting admission to BBS, all students and their families agree to follow all of the rules in the BBS Family Handbook. Handbooks are available online.

If you have questions, please call Michelle Riley at (480) 821-1404.

Thank you.

Preschool at Bright Beginnings School

It is our hope that the following information will be helpful as you consider our preschool and pre-kindergarten for your child.

Preschool is for three- and young four-year-old children. **Pre-kindergarten** is for four- and young five-year-old children. Classes are from 8:30 a.m. to 3:00 p.m. Preschool and pre-kindergarten classes follow the same calendar year as Bright Beginnings School (i.e. half-day schedules, teacher workdays, intercession breaks, and parent conferences).

Our **preschool** concentrates on developing and building large and small motor movements. Each activity done in class helps fulfill this area of focus. Other areas of focus are social and beginning academics. Our curriculum is developmental; early skills that are taught help children learn more complex skills. We use the same handwriting program that is presented in grades K-3. This enables children to have consistency as they learn to write. Our school day is highly structured. Approximately two thirds of our time is spent participating in planned activities; free choice (unstructured) time is limited. Not all children will be ready (at this age) for the structure of our program. Our preschool is placed in a school setting; this helps children adapt to school. We consider the program to be “pre – school, not playschool”.

Our **pre-kindergarten** offers a complete developmental curriculum that allows the young students to develop social, emotional, physical, artistic, and academic skills. The curriculum is very structured – two thirds of the day is spent participating in planned activities in the areas of mathematics, pre-reading, writing, art and science. During this time, the students are expected to move through centers to accomplish teacher directed centers. The unstructured part of the day includes outdoor recess and free choice play where students are encouraged to make choices, interact with peers, and develop important social skills.

Not all children are developmentally ready for a structured program. Many parents wonder if their child is ready for a school program such as ours. Appropriate questions may be:

Has my child been away from me before? Does my child cope well with babysitters? If your child has never been in any other type of class setting the full-day class may be too long. **All children are on a trial basis for the first 2 weeks.** If after that time your child continues to experience separation anxiety or there are concerns with developmental maturity and your child is not ready for the type of program we offer, you may be asked to leave the program and rejoin at a later time. Your \$100 registration fee **will not** be refunded. Monthly tuition will be **prorated** and the remainder refunded if your child is not developmentally ready for this program.

Does your child communicate his/her needs? Preschool can be stressful for children who experience language barriers. Please consider playgroups until your child feels comfortable expressing his/her thoughts and needs.

Is my child fully self sufficient in the bathroom? Absolutely no pull-ups or diapers are permitted. Our most important desire is that your child will have a fabulous first “school” experience and we are prepared to provide exciting learning experiences instilling confidence, creativity and a desire to learn!
