

# “UKE” CAN DO IT!

## A ukulele club for children grades 3-6.

The only thing better than singing with your friends is doing it while you play the ukulele!! 😊  
This group setting is the perfect way for your child to learn how to play the ukulele in a positive and supportive, yet challenging environment. The session will conclude with a performance  
(Advanced group has two performances)

\*Students need to have their own ukulele AND TUNER so that they are able to take it home and practice, etc. I found a great beginner ukulele with starter kit (carrying case, tuner, and strap) on Amazon for \$45. Something along those lines would be perfect. I am more than happy to share that info for anyone who needs help! Just email me at [sburke@bbschl.com](mailto:sburke@bbschl.com) and I'll forward it to you! 😊
